Y GOLYGYDD / THE EDITOR

Prynhawn da a chroeso cynnes i stadiwm LHP ar gyfer ein gêm yn erbyn Pontypridd Unedig. Hoffwn estyn croeso i'w chwaraewyr, cefnogwyr a'r swyddogion heddiw.

Er iddyn nhw ddisgyn o'r uwch gynghrair ar ddechrau'r tymor, mae Pontypridd wedi cael dechrau da iawn i'r tymor ac yn eistedd yn yr ail safle - pum pwynt o flaen yr hen aur. Os ydym eisiau cystadlu am ddyrchafiad eleni, mae'n rhaid i ni ennill gemau fel heddiw.

Diolch yn fawr iawn i bawb a wnaeth cyfraniad i'r casgliad banc bwyd yn ein gem gartref diwethaf. Hoffwn ddiolch hefyd i Mark Aizelwood a'r chwaraewyr sydd bob tro yn cefnogi ac yn cyfrannu tuag at yr achos. Rydym wedi gosod blychau wrth y gatieau heddiw felly croeso i chi wneud cyfraniad.

Mwynhewch y gêm.

Good afternoon and welcome to the LHP Stadium for our game against Pontypridd United. We give a warm welcome to their officials, players and supporters today.

Since their relegation from the Cymru Premier last season, United have made a strong start to the campaign and currently sit in second place after 13 games played, five points ahead of ourselves. If we are to challenge for a top two spot this season it will be important that we get results in games such as these.

Thank you so much to everyone who contributed to our foodbank collection at the last home game. A particular thank you to Mark Aizelwood and the players who, like every season, have been very generous in their support. The collection bins are at each turnstile again today and hopefully we can add to what has already been raised.

Enjoy the game.

ODDI WRTH Y RHEOLWR FROM THE MANAGER

Good afternoon and welcome to the LHP stadium for what promises to be our toughest game of the season to date.

In my opinion any team that finishes above Pontypridd this season will win the league. They have retained a lot of experience in key areas of their team from their time in the Welsh Premier League. I have watched them twice to date and whilst they do not play football for the purist they are very effective in what they do. They have changed their style since the first few games of the season and it is proving a successful formula. This is also the last game for their manager so he will wish to finish on a high.

We have worked hard in training on trying to minimise the effect of what they are good at, and on certain individuals within their team who play key roles in that. Having said all that, we have some very talented players ourselves who will also take some stopping so it is all set up for a fascinating encounter where we will need your support for the full duration

Thanks

CARMARTHEN TOWN AFC SUPPORTING THE LOCAL COMMUNITY

Carmarthen Town will be holding two foodbank collections for the Carmarthen Foodbank this autumn.

The first will be at the home game today against Llantwit Major and the second collection will be at the home match against Pontypridd on 9th November. Collection points will be available around the ground and there will also be the opportunity to make a financial donation should supporters prefer.

Carmarthen Town's Communities Manager Paul Ashley-Jones said, "we are delighted once again to help the vital work of the Carmarthen Foodbank and thanks our supporters and players who are always very generous in their support".

Carmarthen Foodbank Manager Cath Cork said "in 2023 we supported people 3,279 who were in Food Poverty in Carmarthen and surrounding areas. By the end of August by the end of August 2024 we have supported 2,175 people (1370 adults and 805 children) with food parcels.

Demand is increasing and we are hugely grateful for the support of Carmarthen Town AFC".

HANES / HISTORY : C.P.D. PONTYPRIDD UNEDIG PONTYPRIDD UNITED A.F.C.

The history of the modern Pontypridd Football Club began in 1991 when the failing Welsh League side of Ynysybwl amalgamated with local league side Pontypridd Sport & Social Club to form Pontypridd & Ynysybwl FC.

After one season of playing their home game at the recreation ground in Ynysybwl the club moved to their new home in Ynysangharad Park, on the side of the former Pontypridd RFC ground, and changed their name to their current one, that of Pontypridd Town.

With the help of the local council new changing rooms were opened, floodlights installed and the stand at Ynysangharad Park were upgraded. Making it one of the better grounds in the league. The changes also brought some good fortune as a sixth place finish in Division Two, was due to reorganisation of the Welsh League following the formation of the League of Wales. Enough to earn promotion at the top division for the first time in the club's history.

The 1992/93 season saw the club enjoy its highest ever league position when they finished in third place with just 3 defeats in 26 games. 5th position was achieved in 1993/94 and 11th position in the 1994/95, but the 1995/96 season brought mixed emotions.

This season saw the club go on a memorable Welsh Cup run. Llanwern, Newport YMCA, Taffs Well and Cemaes Bay were defeated along the way and the club were rewarded a quarter final tie against eventual winners Llansantffraid of the League of Wales. Despite leading 1-0 at half time through a Romano Bacchetta Goa, two goals from League of Wales legend and Hall of Famer, Tomi Morgan saw the visitors through. However the season ended in disaster as, despite finishing in 11th place, Pontypridd were deducted 11 points by the league for playing an ineligible player. Which resulted in relegation to the second division. The club hung onto second division status for three seasons before relegation back to the basement division.

The club has enjoyed a rollercoaster ride since then as they climbed back into the newly named JD Cymru South League. Finishing 11th place in the 2018/19 season, after a heroic relegation battle.

In June 2022 the club released the following statement:

Pontypridd Town AFC are pleased to confirm that it will play under the new name of PONTYPRIDD UNITED. Authorisation has been pending from both the Board and FAW to confirm this is acceptable.

There are a number of reasons behind the proposed change, which include the realisation that the wider club does not only play in the town, but also in Treforest. Also, as a growing club we wish to be more inclusive within Pontypridd and the surrounding areas.

We are the only club in RCT for 25 years to be playing Men and Women's Football at the highest level of Welsh Football, which is great news for our community. There will be no change to the legal status of the club, and the Board will work with all teams to provide the necessary updated information to enable a comfortable transition to the new name of the Football Club.

Last season the club were relegated from the Cymru Premier into the Cymru South.

Carmarthen Town (0) – (1) Llantwit Major

Friday 25th October 2024, Cymru South, LHP Stadium

Carmarthen Town endured a frustrating night at the LHP Stadium as they fell to a single goal defeat to visitors Llantwit Major. The defeat leaves the Old Gold in 8th place, six points behind league leaders Trethomas Bluebirds, with plenty of work to do in the season ahead.

The hosts started brightly, creating the first chance just five minutes into the game. Tobias Jones tested Llantwit's goalkeeper, Jack Lansdown, with a well-hit shot from the edge of the box, but Lansdown was equal to the effort, diving low to his left to make the save. From the ensuing corner, Jones found himself unmarked, but his header went narrowly wide.

Just three minutes later, Llantwit Major's Matthew Kimmins put his name down as a contender for goal of the season. Kimmins picked up the ball in midfield and struck a curling effort from 30 yards that soared past Carmarthen's keeper, Lee Idzi, nestling perfectly in the top corner to give the visitors an early lead.

Carmarthen pressed hard for an equaliser, enjoying sustained periods of pressure. In the 18th minute, Lansdown was called into action again, thwarting Sam Parsons' close-range shot with a goal-line clearance. Moments later, Parsons delivered a well-placed corner to Lee Surman at the far post, who directed his header downwards. Yet, in a dramatic scramble, Lansdown again managed to clear the ball off the line, keeping Carmarthen at bay.

As halftime approached, Llantwit nearly doubled their lead. Tomos Tweedy's curling left-footed effort rattled the crossbar, leaving Idzi rooted to the spot. Carmarthen went into the break still within striking distance but lacking the decisive edge in the final third.

Carmarthen Manager Mark Aizlewood rung the changes by making four half time substitutions bringing on Mason Jones-Thomas, William Francis-Obeng, Jordan Langley and Trystan Jones in the hope of a repeat of the previous game's success.

Carmarthen pushed forward in the second half but continued to struggle to find the net. In the 56th minute, Jordan Langley had the first chance for the of the half, but his effort flew high over the bar, much to the frustration of the home crowd. In the 73rd minute, Carmarthen's Jordan Vickers charged into the box and unleashed a powerful shot from the right, forcing Lansdown to tip it over the bar. Once more, from the resulting corner, Tobias Jones headed just wide, epitomising Carmarthen's inability to capitalise on their chances.

The final chance of the game fell to Carmarthen in the 90th minute. Vickers delivered a cross into the box, and Langley's header bounced off the ground but frustratingly flew over the bar, leaving Carmarthen's efforts unrewarded. As the final whistle blew, Llantwit Major celebrated a hard-earned victory, while Carmarthen were left to rue their missed chances.

Idzi, Vickers, Dolman (Trystan Jones 45), Surman (Francis-Obeng 45), Strinati, Morgan, Reed, Parsons (Aylward 72), Booth (Langley 45), Gavin Jones (Jones-Thomas 45), Tobias Jones.

Penrhiwceiber Rangers (0) – (10) Carmarthen Town

Saturday 2nd November 2024, Cymru South, Glasbrook Field

Carmarthen Town returned to the scene of their thrilling 4 – 3 Welsh Cup win just two weeks ago at Penrhiwceiber only to this time play out a low-key goal less draw.

Both teams struggled to find a breakthrough, with defences firmly in control throughout the 90 minutes, limiting significant scoring chances.

At the end of the game Carmarthen manager praised their opponents by saying, ‘...fair play to Penrhiwceiber they defended resolutely and with spirit, aggression and togetherness...’

The draw leaves Carmarthen in 7th place in the Cymru South and are now eight points adrift of leaders Trethomas Bluebirds.

Idzi, Vickers, Trystan Jones, Dolman, Parsons, Aylward, Reed, Booth, Gavin Jones, Daley, Mason Jones-Thomas (Langley 51)

DAVID LLEWELYN HUGHES

The Club was sad to learn of the recent passing of David Hughes, one of our longstanding Vice Presidents, affectionately known within the Club as Dai Bala.

Dave was born in Llanrhyder-ym-mochnant in 1943, one of nine children. He sustained serious injuries in 1963 when he and his motor bike collided with a bridge and unfortunately came off second best. He met his late wife Heather in Exeter and moved to Carmarthen in 1969. He immediately took an interest in Carmarthen football and soon became a regular visitor to Richmond Park/ LHP Stadium. Despite being unable to attend games since 2020 he remained a loyal Vice President and would continue to take an avid interest in the Club's fortunes. He was also involved with the former Carmarthen United FC. His other love was Liverpool FC and of course Bala Town FC.

He was the brother-in-law to two of our most loyal supporters, Howard and Peter Williams. The Club wishes to extend our condolences to them and to the whole family.

CHANGE OF DATE FOR LLANELL MATCH

Our home match against Llanelli will now be played on Saturday 30th November @ 2pm rather than the night before.

The decision was made on the advice of the FAW to avoid a clash with the Cymru Women's vital home match being played on the same evening:
